

Literacy We shall examine and learn to write : non- chronological reports, and Explanations, all based upon our work on rivers and materials in Science and Geography. We will also improve our Narrative writing, and examine poetry

Geography We shall learn about rivers and how they contributed to transport and trade. We will discover why Shropshire was the birthplace of industry and how people were affected by the changes in the landscape.

PHSE We shall continue to learn British Values. We will learn about peer pressure and how to deal with it, and focus on E-Safety

Religious Education

We shall be learning about the five pillars of Islam. We will then find out What Jesus did to save human beings

Maths This term we shall focus on fractions, on four operations calculations, then move onto perimeter, area and angles work in shape and measures. We will continue carry out systematic investigations in all of our areas of study.

Art We shall look at the work of Lowry. We shall use colour knowledge and create works of art in the style of the artist, based on our community.

Revolution Shropshire

Year Five

Spring Term

Meole Brace
C of E Primary School and Nursery

Science In Science we will be exploring the properties of materials e.g. conductivity, durability and solubility . We will move on to look at how materials react with others, or remain stable, focussing on chemical as well as physical changes of substances. .

Computing We shall learn how to search safely, legally and responsibly online, and the parts of the internet as well as how it works. We shall continue to program a sprite to make a game .

Music We shall listen to compositions involving song lyrics and examine how we can write songs with melody and lyrics which are complimentary.

PE is on Tuesday and Friday We shall focus on Hockey and Dance.

Bring your Reading Book and Reading Diary every day! Spellings will be given out on a Friday and tested a week later.
